

A group of young ambassadors (18-30 years old) has participated to an educational programme (ToT) equipping them with the needed competences in terms of critical thinking, digital and media literacy. The young ambassadors will use this acquired knowledge to empower older adults through intergenerational learning.

THE ToT PROGRAMME IS DIVIDED IN 5 SESSIONS:

The ToT took place in the 4 partner Countries of the Digitol project

BULGARIA

Platform and tools: Zoom, Miro App and DIGITOL Academy*
Participants: 5 trainers + 9 young ambassadors
